

Respected Mr. Brent Kreuger,

I am writing to formally invite you on behalf of The Entrepreneurship Cell, IIT Bombay, as a speaker at the **Global Conference**, scheduled for **8th February 2009**.

The Conference of Entrepreneurship Cells is a step forward towards understanding and collaborating with fellow Entrepreneurship Cells in a better way. In this era of globalization, the time has come to align our activities, co-operate and collaborate with each other so as to complement each other as well as understand each others markets, people and opportunities in a better way. This consequently will help every cell in reviewing its activities, discuss and debate the role they play and should play to realize their prime and ultimate objective of promoting entrepreneurship.

I am also inviting you at the **Entrepreneurship Summit '09**, scheduled for **7th February 2009**, which is a part of the **Golden Jubilee celebrations of the Institute**.

E-Summit '09 will be a confluence of key industrial leaders, successful entrepreneurs, academicians, budding entrepreneurs and students from the Indian entrepreneurial community. It intends to showcase entrepreneurial opportunities which will play a vital role in the economic growth and development of the nation.

E-Summit '09 also aims to provide integrated support system for budding entrepreneurs on the day of the event in form of funding, mentoring, workshops, start-up showcasing and networking opportunities.
